Updated contacts

If your address or telephone number has changed since you first registered your child with us please can you complete the slip attached below and return it to the manager's office.

Labelling clothes

Can all parents please label their child's coats, lunch bag, clothes and the like so that we can ensure that everyone gets their child's belongings back. You can do this with a permanent marker by initialling your child's name on the tag in clothes or in the corner of a lunch box. If clothes are not labelled, the nursery cannot take responsibility for lost items. We thank you for your cooperation in this respect.

Parents Evening

Establishing a partnership with our parents is vital to helping our children reach their full potential. There are large gaps between children entering school from lower income families/families who don't engage in their child's education and those from higher earners/pro active families. We want to close this gap so that our children are in no way disadvantaged, regardless of their parents' circumstances; we believe this can be done through a successful partnership between parents and the nursery. This year due to Covid-19 will be different and held on-line so we are able to stay safe but continue to work in partnership with our parents. Parents evening will be held week commencing 14th December. Please speak to your child's key person to book an appointment slot on the day allocated to that staff member.

Toddler Room Entrance

Due to ensuring we don't have too many parents gathering in the café area during handover times, we have changed the entrance to the Toddler room to the middle gate (gate which leads to the front garden) it is sign posted.
