Maths: **9th April 2019 or 10th April 2019** (Spring Holidays)

Culture: **28th May 2019 or 29th May 2019** (May Half Term)

Aims and objectives of the course are to:

- Explain the fundamental principles of the Montessori method
 - Give an overview of the five curriculum areas
- Understand the developmental process the child undergoes
 - Give a demonstration of the material used in each area
 - Understand key terms of the method

Cost £50 per day

30% discount for parents of children attending HCN - £35

40% discount for parents that are unemployed - £30 (can be paid over 2 months)

30% discount for people who attended 'The Whole Child Conference' - £35

30% discount for registration on all 5 days (£175)

Limited places – places will be allocated on a first come serve basis

Please note second day registration will only be opened once first day is fully booked – the second day of the course is a repeat of the first day and therefore candidates are required to attend one day only for each curriculum area.

No prior Montessori knowledge is required for these courses.

It is highly recommended that Practical Life and Sensorial courses are completed first as they form a basis for the Maths, English and Cultural elements of the Montessori method.

THESE COURSES ARE FOR WOMEN ONLY

Tea and coffee will be provided.
