

# Parents Newsletter

Summer Term 1

Asalam Alaikum / Hello to all Parents and Carers,

## **Missing Toys**

The nursery has some toys missing. As we often find small toys in the pockets and bags of children, we would like to kindly ask parents to bring back to the nursery any nursery toys or nursery resources you might find amongst your child's belongings.

## **Clothes and Wellingtons**

If you have clothes or wellingtons which your children have outgrown and you want to give to a new home, the nursery is looking for more items.

## **Parent Evaluation**

Parents are the most important people in their children's lives, and their support is crucial in their learning and development. Parent's views and concerns are central to our work in developing our service and in evaluating 'what works'. Therefore may we please request that all parents complete the evaluation form given to you with this newsletter and hand it back to the nursery. This will help us understand what's working and what's not, and ultimately how can we enhance the experiences of our children and their parents/carers.

## **Parent Skills/Volunteers**

**Gardening:** If any of our parents are green fingered and would like to volunteer to help with the up-keep of our garden or make suggestions on what we should plant etc., please get in touch.

**DIY:** We need a few small jobs doing in the nursery. We would particularly like to speak to builders as we are always looking for bricks and pieces of wood for our camp fires. If you can help with any of the above or have other skills which you would like to share with us and do work-shops with our children please contact the nursery manager.

## **Newsletter**

We are hoping to move from paper copies to electronic copies of the newsletter from September 2018. If you would still prefer to receive the newsletter in paper form, please let the nursery manager know.

## **Snacks**

If your child attends nursery with a free place through funding from the council (2 & 3 year olds, 15 hours or 30 hours), we would like to remind you that there is a 50p per day charge for snacks, which the children have in the afternoon.

## **Increased Fee**

Due to national changes in legislation, our running costs have increased. Whilst we will shoulder some of these costs, we will also have to unfortunately increase our fees from September 2018. More information will follow closer to the time.

Please note: Happy Children Nursery is committed to keeping fees as low as possible and its fees remain amongst the lowest in Liverpool.

Thank you for taking the time to read our newsletter.

From all the staff at Happy Children Nursery
