

Parents Newsletter

Summer Term 1

Asalam Alaikum / Peace be upon you all,

We pray you had a lovely break and we are very happy to see you all back in the nursery.

Book collection

We would like to say a heartfelt **thank you** to all our parents/community who donated books, it was very much appreciated by the charity and the nursery.

Parent Evaluation

Parents are a child's most important educators, therefore we strive to work in partnership with parents to promote the learning and development of all children.

Parents views and concerns are central to our work in developing our service and in evaluating 'what works'. Therefore, may we please request that all parents complete the **evaluation form** given to them and hand it back into the nursery. This allows us to see where our strengths lie and also the areas in which we need to improve, and ultimately how we can enhance the experiences of our children and their parents/carers.

Spare Clothes & School Uniforms Wanted

If your child/ren has outgrown the following items of clothing please donate them to the nurse: underwear, bottoms (such as leggings/tracksuits) & tops (blouse, shirts & t-shirts).

To make school transitions easier for our pre-schoolers we are looking for school uniforms; sweaters, cardigans, shirts, t-shirts with logos so children can wear them in the role play area and get used to the idea of wearing uniforms.

Snack Charges

If your child attends nursery with a free place through funding from the council, we would like to remind you that there is a **60p per day charge for snacks**.

Healthy packed lunches

We are committed to promoting healthy foods and eating habits that ensure healthy growth and development of children. We would appreciate it if all parents pack a **healthy nutritious lunch box**.

We ask that you do not pack chocolate, crisps, cakes or sweets. If you would like to pack a treat every now and again, why not try an oat based biscuit or cake such as flapjack as this releases energy more slowly.

We also would like to inform you we have a child who has a nut allergy and request parents not to put **any nuts or nut products** in their child's packed lunch.

Toys from home

We ask that the children do not bring in toys from home into the nursery, as we cannot be held responsible for any of these items should they be lost or broken.

The children will get the opportunity to 'show and tell' things from home through arranged days later on in the term.
