

Parents Newsletter

Summer Term 2

Asalam Alaikum / Peace be upon you all,

We pray you had a lovely break, and we are very happy to see you all back in the nursery.

Parent Evaluation

JazakAllah khairun to all the parents who returned their evaluation forms. Any relevant changes will be added to our focused improvement plan in September (this can be viewed on our website). If you still have not returned your copy, please do this as soon as possible.

Parents Evening

Establishing a partnership with our parents is vital to helping our children reach their full potential. There are large gaps between children entering school from lower income families/families who don't engage in their child's education and those from higher earners/proactive families. We want to close this gap so that our children are in no way disadvantaged, regardless of their parents' circumstances. We believe this can be done through a successful partnership between parents and the nursery. Parent's evening will be held online via Zoom. Please speak to your child's key person to book an appointment slot on the day allocated to the room.

Arabic Madrassa

If your child has turned 4 years old and you are interested in applying for your child to attend the Arabic Madrassa, registration is now open. For more information please email: arabicmadrassa@happychildrennursery.com

Toys from Home

Can we ask that the children do not bring in toys from home into the nursery, as we cannot be held responsible for any of these items should they be lost or broken.

The children will get the opportunity to 'show and tell' things from home through arranged days later on in the term.

Dates for your Diary
